# Thought of the Week

Galatians 6:2 says, “Carry each other’s burdens, and in this way, you will fulfil the law of Christ”

We live in a society where “survival of the fittest” has been taught without words. It’s “every man (or woman) for themselves.” We see seeking help a sign of weakness. We see letting people in a burden on them.

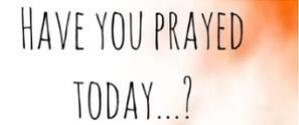

The truth is, we were never made to be alone. God created Adam, the first man, and He knew it wasn’t right for him to be alone; So, God created Eve. When Adam and Eve were together in the Garden of Eden, HE knew it wouldn’t be right for them to be alone, so it says God walked with them. This is an amazing thing because God is teaching us here that we do not ever have to face this life alone. Not only do we have people in our lives to lean on we also have a God that wants to walk with us each step of the way in our life.

I want to encourage you to look around you – look at the people in your life, see who you can be a blessing to in your family, in your friend-group, in your community to carry their burden. I tell you this because I know you will be blessed by it too. I tell you this because

you will find there is someone out there who you can confide in and share your hardships with, who has your best interests in mind. When we carry each other’s burdens, we’re being the Body of Christ. For someone to carry a bag of groceries, it takes more than just the hands to take it from the car into the house. It takes the fingers, the legs, the mind to know what to do, there is so much more than what meets the eye. Be a part of carrying the burden in the lives of the people around you. Even if they appear to have their life in order and doesn’t need help. I promise you they can take what they can get. PH
