## Guidelines for Assembly

- \*Before you arrive, please check your temperature and ensure that it is less than 100F. Bringing a mask is welcomed but not required.
- \*Please enter through the Main Welcome Center entrance and use hand sanitizer upon entering. You will receive an individual Communion set. Please proceed directly into the auditorium.
- \*We will not be serving coffee or food. You are welcome to bring your own bottled water.
- \*Disabling the Wifi on your phone helps our LiveStream.
- \*Our usual bathrooms will be available but not most classrooms and other hallways.
- \*In the auditorium, families and all their children should sit together for the entire service. Please leave two empty chairs between family groups.
- \*There will be no passing of plates. You will have your individual Communion set for the appropriate time, and there will be a box in the foyer for Giving Back to God.
- \*When the service concludes, we will dismiss by rows. Please continue directly through the foyer into the outdoors. Feel free to visit with one another outside of the building.
