PRAYERS OF *Encouragement*

Israel Jimenez (son of Sylvia Haro) - Was admitted to UTMB with a very low blood platelet count. He is receiving antibiotics and platelets. Doctors are still trying to determine the cause. They are awaiting the results of a bone marrow biopsy and are also checking the spleen. Pray that the underlying cause will be revealed so they can begin the right treatment plan. Restrictions have been lifted and he is able to have visits with family.

Paula Roper - Was taken to the ER on Monday and diagnosed with a UTI.

Jamey & Jeremy (Kevin's nephew)
Hunter - Have both been diagnosed with the Covid virus and are recovering at home.

Tom & Martha Wenzel (former members) - Tom has been diagnosed with Covid virus. He remains on oxygen and has been moved to ICU for more personal care.

April Lubke (daughter of Gary & Corlis Hicks) - Is recovering from stapedectomy surgery to replace the staples bone in her ear. This is to correct some significant hearing loss.

Dara Frazier - Continued recovering from gall bladder surgery and shingles.

Please pray for our College Students:
Megan Taylor & Lexi Vestal

Please pray for our military member:
Kayla Dyess, U.S. Navy
