Thought of the Week

It's great when things go our way, when good things happen to us and life is just as smooth as it gets. But the truth is, life isn't always like that. It's so often hard with a little stress and struggles.

I think that's why Psalm 23 is a favorite passage for so many people.

The Lord is my shepherd; I shall not want.
He makes me lie down in green pastures.
He leads me beside still waters.
He restores my soul.
He leads me in paths of righteousness
for his name's sake.

Even though I walk through the valley
of the shadow of death, I will fear no evil,
for you are with me; your rod and your
staff, they comfort me.

You prepare a table before me in the
presence of my enemies; you anoint my head
with oil; my cup overflows.
Surely goodness and mercy shall follow me
all the days of my life, and I shall dwell
in the house of the Lord forever.

If the Lord is our Shepherd, we have nothing to want, because He is enough for us. He tells us He will provide love, protection, food and water. He provides guidance and comfort. The Lord is looking after you when things are going well for you AND when things are rough. Verse 6 is something we need to always remember, Goodness and Love will follow, they will chase us down to follow up on the bad stuff, because Goodness and Love are what God wants for you and I all the days of our lives. We can find all this when we look for God, and dwell in the house of the Lord. I look forward to seeing you there.
