In the Fund pick list, choose Habitat for Humanity Lunch

Our congregation is providing lunch for the workers **TOMORROW, Sept. 23** as they start a new build. Scan the QR Code to make an online donation or drop a donation by the church office.

We will be conducting a Church Health Assessment (CHA) October 3 - 19. CHA is an online survey to collect feedback from all church members. The Elders intent in conducting the CHA is to gather context for a focusing of the existing church Vision Statement and its supporting Vision Elements, Ministries & Offerings in early 2022. For more information, visit with any Elder.

Resumed on September 19, 2021. Visit www.ljchurch.org to sign up for a group.
