Wed, Nov 17: Freezer Surprise

Jo Bryant - (mother of Shelly Bryant) has been diagnosed with uterine cancer. She will have a PET scan on November 15 & is scheduled for surgery on November 30.

Rhonda Pierre - (sister of Craig Nisbett) Her situation in Haiti is becoming dire. All the US staff of her organization (myLifeSpeaks) has left the country except her. She does not want to leave her Haitian husband who does not have a US visa yet. Gang activity and food shortages continue to increase.

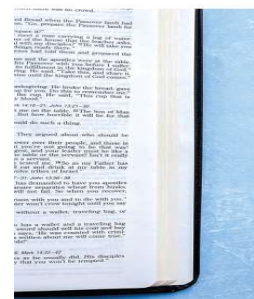

Chiffvon York - Has her second case of Covid. Randy tested negative but is struggling with allergies.

Vicki Johnson - (mother of Linley Glover) Prayers of thankfulness that 2 rounds of chemo are effectively shrinking the tumor. Doctors are optimistic for the next 4 rounds and that this will help the future surgery.

Linley Glover - Requests prayers for peace, relief from stress, and rest for body & mind with everything going on in her life. Managing her Bipolar II becomes more difficult during these times.

Nancy Coburn - Felt dizzy and fell last Sunday. Her granddaughter took her to the ER; she was treated and scheduled for an MRI.

Battling cancer - Nina Vogt (grandmother of Savannah Stewart), Lavonda Potts (neighbor of Willie Brown and friend of the Jay Fosters), Rik King (brother of Pam Riddle), John Hunt (father of Peter), and Naomi Crumrine (6 mo old granddaughter of J, of J's Auto Service).p
