Permission and Release *(please initial)*

I give permission for my child to participate in Lake Jackson Church of Christ Youth Group sponsored activities.

I further give permission for my child to ride with a designated adult driver to and from those activities in church-provided transportation, or a personal vehicle when necessary.

It is not uncommon for youth to ride with their peers who are licensed to drive. I understand and agree that the church does not and will not accept responsibility for injuries or damages resulting from my child riding with their peers to or from church activities.

I agree to be responsible for transporting my child to and from church functions if I do not approve of his or her riding in church-provided transportation or with their peers.

I agree that my child will return in the same vehicle of departure unless a designated sponsor approves otherwise.

I understand that with any activity, including transportation, there is the chance of injury to person or damage to property. Notwithstanding that risk, I release Lake Jackson Church of Christ, its employees, members, and volunteers (including drivers) from any and all liabilities, including liability resulting from injury to person or damage to property, arising out of my child's participation in a church-sponsored activity.

Further, in the event my child is injured at a church activity and requires medical treatment, I give permission to designated adult sponsors to authorize such medical treatment as he or she determines appropriate in consultation with medical professionals, and I agree to be financially responsible for such medical treatment.

I understand that my child may be photographed and/or videoed at church-sponsored activities. I give my permission that these images may be included in publications, documents, announcements, websites, and social media representing the Lake Jackson Church of Christ.
