We rejoice with the Ammons family as
Natalie was baptized last Sunday!
Please welcome our new sister.

Randy York - while undergoing a procedure for kidney stones, bladder cancer was discovered. Doctors believe they were able to remove all of it but will run more tests and then make a treatment plan. Also, *Chiffvon* had a bad case of poison oak but is doing better.

Nell Brown - is scheduled for the Watchman procedure on Aug 3.

Joel Heard - (uncle of Ann Nisbett) is halfway through his chemotherapy and tolerating it well.

Ron White - is currently staying at home after a fall. He has had X-rays and an MRI. His daughter and family are visiting.

Stephanie Stacks - (neighbor of Shelley McLaggan) is having trouble with undiagnosed pain. She and her husband facilitate the GriefShare program at Covenant Church.

Juanita ("Janie") Alanis - (cousin of Jorge Veliz and niece of Sylvia Haro) had post-surgical complications. She has had six additional surgeries and still needs skin grafts. She is in the hospital in Colorado.

Apples!

As part of our Back to School Blessing for students, we will continue this tradition on Aug 14. Names of our students will be written on an apple that can go on your fridge. Please select one (or two), and pray diligently for that child throughout the year. A note of encouragement would also be welcome. This ministry is for all members! You will be blessed.

From Jamie Gay's mother, [Pat Allan](#): Thank you for all
your prayers and support as I travel through this very
difficult time in my life. I know God has answered and
will continue to answer your prayers—as you
continue to pray. May God bless each one and I'm
very grateful for you.

From [Sandra Mullins](#): To my family in His Love- I want
to thank you all for your thoughts and prayers. I've
been a member here 64 years and this is my church
family. I've had many prayers on my behalf and I'm
asking for your continued prayers. I am still having
problems with breathing when I move around. My
diabetes has affected my eyes and feet as well as my
legs, hips and heart. Also pray for Ronnie as he deals
with stomach issues for many years and goes for
another test soon. Taking complete care of me
doesn't help him at all. I pray continually for him.
Thank you again and again. In His Light and Love
Always.
