

Updated from Santiago up to May 23rd 2022.

To the elders and the church of: Lake Jackson Church Of Christ.

We greet you in the name of our Lord and Savior Jesus .

-On March 12 to 15th we were able to film in Santiago a virtual campaign to be presented for 7 days and reach this way the souls, we reached 400 peoples interested in bibles studies, so we are using that tools, by phone or computers or visiting them in theirs homes at the time they could receive us , in order for them to know God and be on his Kingdom.

-On March 19th we had a group of 27 brothers and sisters fro West Ark Church , and God help us to visit diferents congregations, paint houses , hands out 327 gifts for Children , and to visit " Casa Esperanza" it is a place where they take daily cares of children with brains paralyzed, they are 50 of them , we went and paint theirs place, play with them , eat with them and hands out gifts, we visit Río San Juan with the group also.

-During that time the father of my wife passed away , and the Lord help me and gives me strength to stay with my wife's family and with the group.

-As you knew I had heart problems on April and we did diferentes test , and thanks the Lord and your prayers , it was not necessary for me to have the surgery, I am under a six month treatment and the results are going good.

-On May 2nd we went to attend the annually gathering of all the congregations of the churches , it took place at the City of San Cristobal, and they were around 3500 brothers and sisters toguether praising the Lord .
One of the young singers group from Arroyo Hondo congregation opened the meeting singing three Songs for the Lord.

-On May 12th to May 19th we were able to assist 34 persons, and have theirs prosthetic legs made with the Team " New Life with Limbs" from Indiana, we were able to help the needed in all the congregations and we went to Puerto Plata Church to serve them and God will we will have plan to bring them to Puerto Plata on October to take care of 20 peoples.

-Our Lord had blessed us in the congregations and most if the churches are full at each meeting as a result of a continues preaching, sharing and preparing the Leaders in order to Seek for the Lord first.

-I have brother Joely Jaquez who is helping us in the congregation of Pueblo Nuevo, and also spreading the Gospel.

-I had spoke to the whole congregations here in Santiago and at national leaders meeting to make the decision to help " Casa Esperanza" children instead of the children from the Haitian schools , we had helped them to this time and we think the leader of them can continue taking care of the children, the first thing is that they had owned with the help of the churches the place where they meet, and the second things is that he is charging to the family.
It does not means that I will leave them alone I will follow-up and help when it is more needed.

-So any help will be put on those specials children at " Casa Esperanza" from now on.

-We continue supporting the Spanish School and helping any peoples in needs if they have urgency.

-We will have a special meeting this coming Saturday to overview the progress of any ministry with the leaders of the congregations and to set goals in order to plan for the comings month.

*I ask your prayers for :

Me and my family so we can continue supporting the churches and mission works.

-For the Leaders of each congregations so they can be strong I their faith.

-For all the news believers so the grow healthy on the faith.

-For take God and good decisions.

Thanks for your constant support , and prayers , God will reward your time and it is my hope that you can come with a group or a team to see for yourself what the Lord is doing.

*please shares with the leaders and elders of the Church , Thanks.

In Christ

Joaquin Reyes Parra
