## DISCERNING MINISTRY POTENTIAL

Please be in prayer regarding  
your giving for 2023

This is the time of year that we determine the amount of money the church plans to spend over the next year. From January 1 to the end of March, the congregation measures our giving and plans its spending budget based on that number. Your giving over the next three months directly impacts the planning the congregation and ministry leadership can do, our "ministry potential". Each person in our church fellowship is welcome to listen to and give input to the process by attending the Ministry Discernment Meetings (Jan 18, Feb 15, Mar 8, Mar 29) where decisions are made about the allocation of funds to various ministries. If you have any questions, don't hesitate to speak to one of the Elders or Ministry Staff.
