As many of you know, Hurricane Beryl caused a lot of damage and destruction in our community. We, as a congregation, want to do our part in helping those who have been affected by this disaster. We have funds available, though limited, and we are determined to make the most out of what we have and do what we can to ease the burdens on our members.

Therefore, please contact one of the Elders or call the church office if you have needs related to Beryl. Please provide us with this information by December 15th, so that we can assess the needs of our congregation and allocate funds accordingly. We want to help as many people as possible, but in order to do so, we need to have a clear understanding of the situation.

We believe that as a church family, we can come together and support each other during difficult times.
