Mission Emphasis: December 2025 Childrens' Homes

Elvin Garrett- (brother of Charles) He is in the hospital in Sherman for surgery for a brain bleed. It is complicated by the blood thinners he must take for an artificial heart valve.

Nolan Gibson- (grandson of Ryan and Laura Arthur) He had another episode but great news, it was not a seizure and his EEG shows normal & improved brain activity. He seems to have a reflux issue that they are addressing with medication.

Guy Archerd- (father of Vickie Fagan and grandfather of Wes) He is in St Luke's hospital in Houston and the bleeding seems controlled. Tests continue.

Chris Gonzales- (brother-in-law of Cindy Yates) He is home from the hospital after the third stent was successful.

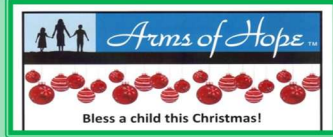

Andrea Pantle- (sister of Kelli McBrayer) She has been released from the hospital and will see a cardiac specialist before proceeding with knee replacement.

Mike Maxwell- (friend of the Wilsons and known to many from Camp) Please continue to pray for Mike as he goes through extensive rehab. He was scheduled to go home Friday.

Danny McWilliams- (nephew of Belinda Tavary) He is still hospitalized and awaiting tests, including a spinal tap. He can't speak or move much on the right side but can move his eyes toward someone.

Dear LJ Church family,

Thank you for the lovely plant and the Bible. We are slowly

settling into our new home in Sun City of Georgetown, and loving being closer to our 6 year old granddaughter Ella, and two year old twins, William and Lucy! We are enjoying our new location. .renewing our friendship with former members of LJ Church, David and Jamie Gay. .We will always cherish our 45 ½ years with the Lake Jackson church, and will look forward to visiting when we are back to visit our family and grandkids Jenna & Beckham.
