Wed, Jan 28, at 5:30 pm.

Jimmy Foster - (father of Jay) He had exploratory surgery and they found a defective heart valve. He is home, but will have more surgery in 4 – 6 weeks to replace the valve.

Sonny & Linda Coleman - need our prayers. Sonny is having severe back & hip pain, and Linda will be admitted to the hospital soon to evaluate spots on her liver and pancreas.

Lysbeth Warneke - is recuperating from her leg surgery in Oak Village. She would appreciate visitors!

Debi Rawlings - (mother-in-law of Kerri Schurtz's brother) One of her mastectomy sites became infected so she had to have additional surgery. This has delayed her next step of receiving radiation at MD Anderson.

Danny McWilliams - (nephew of Belinda Tavary) He continues in Memorial Hermann; he seems more alert but still can't speak. The doctor predicts he will be there for two more months.

Battling cancer - Dale Escher, Salvadore Aguirre, Carrie McCuiston, LiaBelle Lybbert, Pam Poling, Maggie Stroman, Bella Kay Smith, Keith Rivers, Brandon Wyatt, Rhett English, Leah Rogers, Darren Naquin, Clyde Stewart

Our condolences go out to **Margaret Ammons** and the rest of her family in the death of her sister, **Annette Oden**. She passed away on January 3 after a long fight against cancer. Information about services to come.

We also mourn with **Manuel, Melinda and the Chacon family** in the loss of Manuel's mother, **Maria Chacon**. She passed away on January 6 and services were here at the building Saturday. Thanks to all who helped.
